FOR IMMEDIATE RELEASE

COMPASSION, CHARITY & CHOCOLATE

Hamilton ON – Sept. 11, 2009 – An evening of compassion, charity & chocolate was hosted at Hamilton`s newest funeral home Bay Gardens located at 947 Rymal Road East.

In celebration of their first year anniversary, the night featured flowing chocolate fountains, music and 16 not for profit organizations who use Bay Gardens` free community rooms for their meetings.

“We are very proud to serve the community in many ways. Our free community rooms are a huge success and very much in demand especially when organizations are having to find ways to reduce costs to continue their valuable services”` says Laura Markey President, of Bay Gardens Funeral Home.

“` The entire upper west wing of our funeral home was built for charitable purposes. We know that it is difficult and often times expensive for organizations to find suitable meeting spaces, so it was very important to us to provide these rooms free of charge for any organizations who may require them”` says Markey.

Bay Gardens Funeral Home is a state of the art building which offers families over 27,000 square feet of luxury comfort, personalization and above all compassionate care when the loss of a loved one occurs.

Built on a strong foundation of locally and independently family owned and operated roots, Bay Gardens Funeral Home provides families the opportunity to celebrate the life of a loved one in gracious and beautiful surroundings with cascading waterfalls, large visitation rooms and an on site banquet room.

“We believe that every life tells a story and our mission is to tell your story your way. Whether it is bringing in a loved ones Harley Davidson, canoe or celebrating with doves and candles our home becomes the families home away from home at a very difficult time” says Markey.

Bay Gardens Funeral Home in Hamilton and Burlington is locally owned and independently operated by the Markey Family a Markey Family Care Provider. In addition, the family owns and operates Bayview Cemetery, Crematory and Mausoleum, one of Canada`s oldest and historic mausoleums.

For more information on the community rooms please call 905-574-0405.
